## POUNCE ON YOUR FRIENDS FOR THEIR MONEY AND PAY IT IN

Here's how:

- Please ask your donors to indicate who they are sponsoring and to email proof of payments to Natasha [awareness@spca-ct.co.za](mailto:awareness@spca-ct.co.za). Donors should advise whether they are interested in receiving tax certificates. Woof Woof!
- If you raised money using Given Gain we'll automatically receive all the sponsorship raised on your page directly. Easy Peasy!

The Staffie-cross was chained to a massive rock and sleeping on the cold, hard floor. Hennie as we named him was so cold that he did not even lift his head to greet his approaching rescuer. Our inspector brought him back to the SPCA and

Hennie's new life began. It took months before Hennie was accepting of human love and affection

but eventually he regained his health, strength and zest for life and blossomed into an affectionate and loving boy!

We were so happy when a family finally walked into his life in January this year. Hennie can now look forward to a long and happy life, so different to his miserable start in life.

It's thanks to you that we're able to invest all our efforts into giving animals like Hennie a second chance in life - even if he needed a little more time to find his perfect family.

The story of Hennie who was found in terrible conditions and successfully rehomed

# SHOW YOUR LOYALTY to animals in need

Remember, more animal antics mean more happy homes for animals. So, pull out all the stops to collect as much as possible. Set yourself a target and paw away at it until you're purring with contentment

**R 1 000** helps us vaccinate, deworm, deflea, detick and feed 3 animals

**R 1 500** helps us do all of the above and plus sterilise 1 animal

**R 2 000** helps us do all of the above plus rescue an animal in distress

**R 5 000** could cover the cost of sterilising 13 animals

**R 10 000** could cover the cost of the construction of an animal kennel helping us to lovingly care for the many animals who come through our doors each year.

Whatever you like doing, we'll get your tail wagging!

Whether you like to run like a breeze, cycle like the wind, shake your tail feathers or just monkey-around, it all starts with unleashing the animal inside of you. If you want to combine your love of sport and animals then this is purr-fect for you.

With the funds that you raise you will help us to continue to Speak for, Protect and Care for Animals. If you need any support along the way, our animal loving fundraising teams are here to help you have as much fun and raise as much money as possible.
